RELATING TO NOISE

Statement for House Committee on  
Finance  
February 27, 1990

By  
Jacquelin N. Miller, Environmental Center

Recognition of the acceptable differences in noise levels between Oahu and the more rural neighbor islands is entirely appropriate.

We concur with the amendments to HB 2676 as presented in HD 1.

Our statement on this bill does not represent an institutional position of the University of Hawaii.
